

EMERGENCY AND DISASTER PLAN

1. Where is your evacuation site?

2. How do you turn off your gas, electricity, and water? Where are the necessary tools?

3. What are your procedures for evacuating and transporting children to another location?

a. What items will you take with you (such as sign-in sheets, emergency phone numbers, emergency supplies, diapers, food, first aid kit, etc.)?

b. How will you get to your evacuation location?

c. How will you let parents know where you are?

d. Will anyone be available to assist you?

e. What additional procedures will you implement in the event of an emergency or disaster?
